

AFL North Coast Umpire Coach and Mentor Development Day

AFL North Coast are seeking motivated individuals to join the local umpiring team as a game day mentor or training venue coach.

What's involved? Support local developing umpires within the region by providing them support both on and off the field to grow as umpires.

Mentor – *“A mentor will provide guidance, motivation, emotional support and role modeling to the mentee”*

Do I need to be an umpire myself to assist with mentoring junior umpires? **NO.** We are encouraging parents of umpires or members at local clubs that have a sound understanding of the rules and are wanting to learn a new skill. All training and support will be provided throughout the season.

Training Venue Coach:

This role/s is aimed towards current or returning umpires that have a minimum of 2yrs experience. Support and guidance will be available through the Northern NSW Umpire Development Coordinator, so you won't be alone if this is something that interests you.

Umpire Mentor and Coach Education Day

Saturday 8th February

10am – 1pm

Venue – TBA - Coffs Harbour Region
